# SEIZE THE PLAY

**\*\*Reserve your spot at Champions before we're full!**

Hello Returning and New Champions Families,

As your family's routines start to take shape with the return to in-person learning, Champions Before & After-school program at **East Orient, Deep Creek, Hollydale, Kelly Creek, North Gresham, Powell Valley, Hogan Cedars, Butler Creek, and Pleasant Valley** is here for you! This back-to-school season, our programs will:

- Support the learning your child's getting in school.
- Give them extra time to play with friends and move their bodies.
- Encourage them to explore curiosities and discover new ideas.
- Provide help with homework so time at home is for family.

Not to mention, for parents returning to the workplace, we're a helping hand to get your work routines down, too!
