

FROM THE PRINCIPAL

Dear Parents and Community Members,

Dear Parents and community members,

The 2015-16 school year represents a new baseline for Pleasant Valley Elementary School. Our levels of growth and achievement for the year are reflected in our performance indicators. Pleasant Valley received a level 3 rating for Academic Achievement, a level 4 rating in Academic Growth, and a level 4 rating in Student Group Growth. Our lowest achieving students are our English Learners, and our Students With Disabilities. In order to address these achievement gaps, teachers at Pleasant Valley will engage in Professional Development around best practices to meet the needs of our English language learners and students with disabilities. Teachers are committed to continuing with the implementation of

Common Core State Standards, and preparing for the Smarter Balanced Assessment. Teachers will be supported through professional development on these college and career-ready standards, and the new Smarter Balanced Assessment. Pleasant Valley promotes equitable practices by ensuring all students, especially historically underserved students, have access to high level content. We have a strong, positive culture at Pleasant Valley. We look forward to building relationships and partnering with you for the success of every student.

Thank you,

Principal | Laura Nixon
